Mike Olari would have been shot! He prayed he would not be spotted in the moonlight as he swam the Danube. All he wanted was freedom to worship god. He chafed under Romanian despotic rule, and desired to flee to a mythical land called America. This is his story. This is also the story of the Romanian people, their thirst for freedom, and their revolution. A true account of how brazen courage gripped an unarmed people, and a military dictator was toppled. This is a call for healing. Healing a land devastated by decades of a cold war, a Romania standing at the crossroads of history.
